Adel Slimane Fecih

Monde Singulier x Haddou Dufourcq

French digital platform Monde Singulier is the exclusive distributor of Trama, a new collection by interior design studio Haddou Dufourcq. All in off-white lacquer, there is a trellis-like rigour to the armchair, coffee table and floor lamp, while the

mirror and chandelier feature a softer-cornered hexagonal profile; the latter, like the floor lamp, is topped by shades that look like piped vanilla icing.
